### **Conflict Minerals Policy Statement**

Following its mission to be a global leader in applying contract manufacturing solutions while operating with integrity, SMC Ltd. does not support, nor contribute to violence and human right violations associated with the mining of certain minerals in the area known as the Conflict Region of Central Africa.

SMC Ltd. does not knowingly directly or indirectly purchase any materials or product containing Conflict Minerals from the Conflict Region. SMC is committed to working with our supply chain to increase transparency regarding the origin and traceability of minerals contained in products manufactured on behalf of our customers. We require our suppliers to source specified minerals and metals only from mines, smelters, and refiners outside the Conflict Region or from those organizations within the Conflict Region, which have been certified by an independent third party.

SMC Ltd. reports on Conflict Minerals activities in accordance with U.S. Federal laws and industry-recognized reporting agencies.
